

LOW-INCOME INTERNET ASSISTANCE

AFFORDABLE CONNECTIVITY PROGRAM

This government program pays up to \$30 per month for internet service. If your internet service is less than \$30 per month, the remainder can be applied to your cell phone bill. Visit affordableconnectivity.gov for more information.

INTERNET ESSENTIALS (XFINITY)

Xfinity offers "Internet Essentials" for either \$9.95 or \$29.95 per month, depending on desired speed. Generally, if you are low income and receive other benefits, housing assistance, or veteran's assistance, or SNAP/WIC/TANF, you will qualify. The Affordable Connectivity Program can be used to pay for this service. Call Xfinity at 1-800-xfinity in order to process an application over the phone. Note that you may need to upload a document, like a picture of your SNAP card.

**BOTH PROGRAMS MUST BE
