## Summer Fun in Carnation

Don't miss all of the  
great events in Carna-  
tion this summer.

• Carnation Farmers Market, Every Tuesday,  
3:00pm—7:00pm, Bird Street.

• Carnation 4th of July Celebration,  
Wednesday, July 4.

• National Night Out Against Crime,  
August 7

• Evergreen Classic Horse Show, August 8-12, Rem-  
linger Farms Equestrian Park.

• Carnation Community Yard Sale, Saturday, August  
11, 9:00am—2:00pm, Tolt Avenue

## Carnation hosts the Evergreen Classic Horse Show

The Evergreen Classic Horse Show, a premier  
event held for over 25 years here in the Pacific North-  
west, has just officially moved venues to its' new location  
just north of Carnation, Washington. The show is August  
8—12 and will feature around 500 horses. Show manag-  
ers are excited to present this show at Remlinger Farms  
Equestrian Park, a beautiful 80 acre parcel of flat land be-  
tween Carnation and the Snoqualmie River.

This park-like setting will not only be home to the  
famous hunters and jumpers that travel from Oregon, Cali-  
fornia, Canada and here in Washington to compete for  
money and prizes, but also offers a picnic area, art show  
and many food and display vendors and amenities for the  
exhibitors and their families, as well as the public inter-  
ested in coming to watch the week-long activities.

Visit [www.evergreenclassic.com](http://www.evergreenclassic.com) for more informa-  
tion. Admission is free Wednesday through Friday and  
\$5.00 per car on Saturday and Sunday.

### Fireworks Prohibited

The use of fireworks by individuals is prohibited in  
the City of Carnation. Please join us on July 4th at  
Tolt MacDonald Park for a wonderful fireworks show.

# Carnation Currents

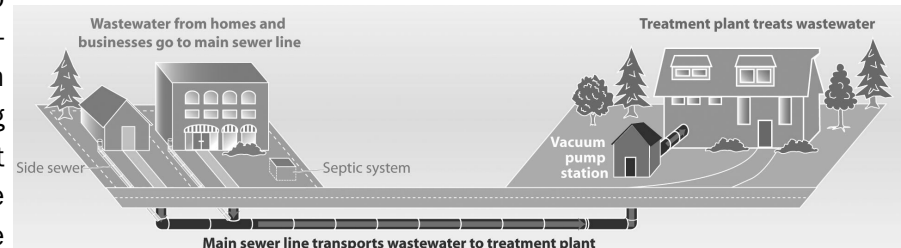

JUNE 2007

## Carnation Sewers Update

Construction of the main sewer conveyance  
system and the vacuum station is nearly complete.  
The work continues to progress ahead of schedule  
and under-budget.

During the 2007 Legislative Session, the City  
Council was very successful in working with our local  
Legislators to  
secure an addi-  
tional \$3 million  
in grant funding  
to help offset  
more of the  
sewer costs. We

would very much like to thank Representatives Roger  
Goodman and Larry Springer and Senator Eric Oemig  
for all of their hard work and support for Carnation.  
To date the City has secured \$13 million in grant  
funding for the sewer project.

If you have a question about any of the con-  
struction work, or if you notice a problem, please call  
the 24-hour construction hotline, 425-890-9790, or  
email [etaylor@enviroissues.com](mailto:etaylor@enviroissues.com).

## Side Sewer Construction

There was a tremendous response to the side  
sewer and septic system decommissioning programs  
offered by the City. In April the City sent out approxi-  
mately 550 side sewer program agreement packets  
for the various City sponsored side sewer programs.  
Thanks to everyone who completed and returned  
their side sewer agreement packet.

For those who are participating in the PWTF  
side sewer program, construction of side sewers will

begin in June. The City's contractor, Buno Construc-  
tion, will contact individual property owners about 1  
week in advance to discuss the side sewer route and  
they will provide 48 hours notice prior to accessing  
your property.

For those property owners who chose the Do  
It Yourself option, side sewer specifications and per-  
mit applications are available at City Hall and at  
[www.ci.carnation.wa.us](http://www.ci.carnation.wa.us). Those who have opted to do

the work themselves  
are strongly urged to  
follow all appropri-  
ate safety precau-  
tions including shor-  
ing of trenches and  
requesting utility  
locates before digging.  
If you have any doubts about  
your ability to do the work yourself, you should  
strongly consider hiring an experienced contractor.

Carnation will hold side sewer open houses  
on June 5 and 19 and July 17 from 6:00—7:00pm at  
City Hall for anyone who has any questions about side  
sewer construction. We will also be at the Farmers  
Market to answer questions on the second Tuesday  
in June, July and August.

The sewer system is estimated to be opera-  
tional in March 2008 once the King County Treat-  
ment Plant is online. The final side sewer connec-  
tions cannot be made until after the system is opera-  
tional. More information, including frequently asked  
questions, is available at the City's website,  
[www.ci.carnation.wa.us](http://www.ci.carnation.wa.us). If you have any questions  
about the sewer project, please call the Hotline,  
425-890-9790, or City Hall, 333-4192.

## Carnation...

### Ready, Set, PREPARE

Are you ready? Do you know what to do in a disaster? Is your family prepared? Do you have supplies to last at least three days without assistance?

To help our community get PREPARED, Carnation is launching a program called Carnation...Ready, Set, PREPARE to provide residents with information packets that will help them prepare their home, family and workplace for the unexpected. The City is partnering with Carnation Duvall Citizen Corps Council to bring these information packets to community groups and take them door to door this summer. If you would like a packet, contact City Hall or visit Carnation's website.

### Map Your Neighborhood

In April, Carnation hosted a presentation from the State Emergency Management Division on a new program called Map Your Neighborhood. Map Your Neighborhood is designed to help a small neighborhood (twenty or so houses) identify the nine things that they can do immediately following a disaster and build a neighborhood resource inventory to help them survive an emergency. The City has the handouts

and booklets available for the Map Your Neighborhood program and we are looking for more neighborhoods that would like to participate in this great program.

### National Night Out Against Crime

Join us in celebrating National Night Out Against Crime (NNO) on Tuesday, August 7. NNO is an opportunity for neighborhoods to come together and talk about safety and crime prevention. Carnation is fortunate to have an very low crime rate, but we still need to use NNO to learn more about what we can do to stay safe.

The City of Carnation is partnering with East-side Fire and Rescue, Carnation-Duvall Police Department and the Carnation Duvall Citizen Corps Council to support NNO. We will visit participating neighborhoods and share information about crime prevention, home safety and disaster preparedness.

So get your neighbors together and plan a party, BBQ, ice cream social or any fun gathering to celebrate NNO. Fill out a NNO registration form, available on the website or at City Hall, so we can stop by for a visit and drop off some cool NNO goodies.

Special thanks to Puget Sound Energy for generously donating \$500 to support Carnation NNO.

### Carnation 4<sup>th</sup> of July Celebration

The Carnation 4<sup>th</sup> of July Celebration is just around the corner. The organizing committee is excited to announce this year's theme is "Education and Teaming". This year our community really came together for our schools to pass a \$56.6 million bond on it's first try, which was amazing, and the Riverview Education Foundation raised over \$45,000, thanks to the support of our community. So we thought it only appropriate to thank the Riverview Schools Committee & Riverview Education Foundation for all their hard work and dedication and invite them to be our Grand Marshall's in the parade.

The committee is always looking for volunteers for the day of the event. We need help with: clean up after the event, removing trash throughout the day, and spotters on the 5K race. If you would like to volunteer, please contact Kim Lisk at (425) 333-4855 or email [kimlisk@comcast.net](mailto:kimlisk@comcast.net). Another way to be supportive is by giving donations and you can do this by sending a check to Carnation 4<sup>th</sup> of July Committee PO Box 736 Carnation, WA 98014. Visit our website [www.carnation4th.org](http://www.carnation4th.org) and get more information about the event schedule.

## Community Notes:

### Carnation Community Yard Sale

The Carnation Community Yard Sale is back after a hiatus. The City will be sponsoring the Community Yard Sale on Saturday, August 11 from 9:00 a.m. to 2:00 p.m. So if you are planning to clean out your garage, attic or closet, don't miss this opportunity to participate in the largest yard sale in town. Reserve your 10' x 10' spot along Tolt Avenue by completing a registration form available at City Hall. The fee is \$20 per space. Registration forms are due by August 3.

### Do you want to help determine what Carnation will look like in the future? Apply to the Planning Board!

Carnation's five member Planning Board has two vacancies. The City is seeking volunteers who are interested in serving on the Board. The Planning Board is responsible for making recommendations to the City Council on the City's Comprehensive Plan, zoning changes and land use matters. The Planning Board is instrumental in shaping the future of Carnation. Applications are available at City Hall and [www.ci.carnation.wa.us](http://www.ci.carnation.wa.us). Applications are due Friday, June 29. If you have questions, contact Linda Scott, 333-4192.

### Think Summer! Think Safety!

With summertime nearing, more and more folks are getting ready to spend time on the water, either swimming, boating, tubing, rafting, or riding personal watercrafts. Recognizing that water sports are a large part of summertime, family activity, the Carnation-Duvall Police Department would like to remind you that safety plays a great role in having fun. If your summertime activities include the use of lakes and rivers, please use the following safety tips:

- Learn to swim
- Always use Coast Guard approved life jackets
- Take a boating course

- Watch the weather and be prepared
- Know your local laws and regulations
- Operation your equipment with courtesy and common sense
- Use the buddy system
- Alcohol impairs your judgment. People should not operation a watercraft while driving alcohol.

For additional information on boater safety tips and safety courses go to [www.boat-ed.com](http://www.boat-ed.com). For more information about river safety and awareness visit [www.riversenseproject.org](http://www.riversenseproject.org). Riversense is a local non-profit organization that provides training on river safety for young people.

Thanks and have a happy and safe Summer!

### Christmas in Carnation

I know we just got through a very long winter and we want to think about warm sunny weather, but the City of Carnation had some damage to our Christmas Decorations during the storm in December. The decorations were already very old and needed to be replaced, and the need is even greater after the storm damage. To do that is costly.

The Chamber of Commerce is working to help the City raise the money for the decorations. The Chamber is looking for people willing to donate to this effort. We need to replace 22 decorations that will line all the poles on Tolt Ave. The cost per decoration is \$395. There are a couple of ways to donate, you can just donate money in any amount directly to the City, or donate the entire amount and have your name attached to the decoration, or have your family all pitch in, your neighborhood collect money, get friends together and donate. Even a business can donate and have their business name attached to the decoration. To get more information please contact Kim Lisk 333-4855 or email [kimlisk@comcast.net](mailto:kimlisk@comcast.net).
